BRIDGES: A Center for Grieving Children is taking over Joeseppi's Italian Restaurant on **Tuesday, March 6 from 4 to 8 PM** to raise needed funds for BRIDGES and Camp Erin Pierce County. Grief robs children of the joy of childhood. Our programs encourage them to talk about their pain and to be children once again. They share their favorite moments and learn that they are not alone, that their lost family member will live on in their hearts, and it's OK to cry when sad. Laughter, tears, sunshine and a little rain make for a memorable experience to remember for a lifetime.

*Please present this flyer or let the hostess know you are dining to support BRIDGES and Camp Erin.*

*Come ready to bid on silent auction items to also support BRIDGES!*

**BRIDGES** is a family grief-support program for children between the ages of 4 and 18 who have experienced the death of anyone significant to them.

**Camp Erin** is a three-day camp experience, free of charge to its participants, facilitated by professional staff and trained volunteers of BRIDGES. Camp Erin is for children ages 6-17 who have experienced the death of a loved one.
